Women 4 Women Hosts Annual Luncheon

Louisville, KY (August 31, 2015) – This year Women 4 Women will celebrate 23 years of impacting the lives of women and girls in our community. The 2015 Annual Luncheon will be held **Sept. 24, at Noon at Galt House Hotel East – Grand Ballroom**. The event is a great way for the community to find out more about the organization and how everyone can get involved.

This year's event will once again feature keynote speaker, Dr. Bertice Berry, best-selling author, speaker and sociologist. Dr. Berry is a Louisville favorite and will speak on the topic of social change in communities. Social Change and the Single-Parent Economy is one of four focus areas that make up the Women 4 Women Economic Self-Sufficiency Model.

"We look forward to this luncheon every year as a way to celebrate with the community," said Kim Dodson, luncheon co-chair. "This year is no different – we want everyone to be a part of what we're doing. It takes involvement from everyone!"

Women 4 Women is also excited to highlight the grant recipients of the 2015 grant program. In January 2014, Women 4 Women announced a new grant program dedicated to supporting other nonprofits in Metro Louisville that are currently addressing needs of women and girls in a strategic and collaborative way. Since then, the organization has awarded more than \$200,000 in grants to local organizations. This year's grant recipients will be featured as part of the event.

Women 4 Women has also received great support from businesses and organizations in the community including luncheon sponsor, KentuckyOne Health, speaker sponsor Fifth Third Bank, as well as LG&E, Anthem, Brown-Forman, Kosair Charities, The Courier-Journal, Business First, WAVE3 and Alpha Media.

Registration for year's luncheon is still open online. Individual tickets are \$75. To register or view sponsorship and table purchase options, visit w4w.org/events/annual-luncheon.

About Women 4 Women

Women 4 Women is a non-profit, grantmaking organization that strives to empower women and girls in our community through the Women 4 Women Economic Self-Sufficiency Model which focuses on four key areas: health and safety, education and leadership, jobs and earnings, and social change and the single-parent economy. Women 4 Women believes that by empowering women and girls we are empowering entire family units and having a lasting impact on our community and future generations.
