IMPORTANT: Please pay attention to word limits! Includes ALL words (even the, an, a, of, etc.).

Photos: Can be color or black & white (all photos will print in black & white, but we can convert them for you). If you need to have a picture of your honoree taken, we can offer help with that through our professional photographer. (This option makes it harder to keep the tribute a surprise, if that is important.)

Digital Photos: Must be a resolution of at least 300 dpi. Files must be .jpeg, .tif, .eps, or .psd. Word files (.doc or .docx) are NOT acceptable. Photos can be emailed or mailed if on a usb drive or CD. When saving, scanning, or using a digital camera, choose the highest quality setting available.

Hard Copy Photos: Must be unframed and in good condition. Photos cannot be returned. If you have a very special circumstance, please contact us.

Please send completed forms, payment, tribute text, photo(s), and any other information or attachments to:
